## Having Manufactured/Mobile Home Titling Problems?

Are you having problems titling your mobile home? Footework can help! We have been helping people all over Arizona with their manufactured homes for over 11 years now. No matter what your situation, our expert and proficient staff can help you find a solution.

Some common transactions that we see are:

Affidavits of Affixtures: the process of notifying the motor vehicle department that you are affixing your manufactured/mobile home to the property.

Unaffixtures of Mobile Homes: the process of notifying the motor vehicle department that you are removing (unaffixing) a manufactured/mobile home from the property.

Title Transfer/Duplicate Title: we can transfer ownership, add a trust or another's name, or reprint your original title if you have misplaced it.. You'll leave our office in about 10 minutes with title in hand.

Removal of Tax Delinquency: bring in your paid tax receipt and we can remove this status code from your title.

Stop in either our Prescott or Prescott Valley location today!

## NEWS!!!

### **CHRISTMAS GIFTS!!!**

It's still early in the season, but we wanted to let you know that you can order personalized plates for family and friends. This is one thing that you do not have to be the owner to do. You order the plate and the personalized plate will be sent to the gift recipient.

What a great idea!!!

### **SALVAGE OR RESTORED TITLES**

Did you recently restore a salvage title vehicle? If so, we can update your title to restored salvage. In order to restore a title your new and improved vehicle has to undergo a Level Three inspection at MVD. In order to get this inspection you will want to call ahead and schedule a time at the MVD. Once your inspection is complete you can bring your inspection form with your current title, and we will issue a new restored title issued along with providing you with correct registration.

### **FLEET VEHICLES**

Do you have a hard time remembering when all of your vehicle are due for registration renewal?

Would you like to renew all your vehicles at the same time?

If you have two or more vehicles you can!!! A person or company may register their vehicles into a fleet. When you place your vehicles into a fleet they will all expire on the same month every year, enabling you to renew all your vehicles at once on an annual basis. This eliminates waiting in line at MVD multiple times a year and it will simplify your accounting. Come in and see us today to set up a fleet account.

## FEATURED FOOTWORK EMPLOYEES

### [They're Back!!!](#)

Emily in the Prescott Valley office and Lisa in the Prescott office have returned to us and we are very happy to have them back.

## AUGUST

On Aug 2nd, Prescott Antique Auto Club held their 35th annual car show and swap meet at Watson Lake where cars were shown, sold, and traded. There was everything from muscle cars to scooters present. You could even wander around and find individual parts for cars you are restoring. For those that weren't that into the cars, but were tagging along there were booths with memorabilia or antique car toys for the kids.

FooteWork is a continuing proud sponsor of this event. We had an informational booth set up to answer any titling and registration questions you may have, as well as sponsoring car show trophies. This show occurs once a year and has visitors that annually drive to Prescott to attend. Be sure to keep an eye out for next years show!

## **FYI-WHERE DOES THE MONEY FROM THE OHV TAGS GO?**

As you are coming in and purchasing OHV tags for your ATV's, we are hearing many of you ask where this money is going. As you should!

Well here it is :

1. 30% goes to the Highway Users Revenue Fund, which distributes the money to cities, towns, counties, and the State Highway Fund.
2. After this, the remaining money goes to the Off-Highway Vehicle Recreation Fund which then further breaks down the money.
  1. 60% going to State Parks,
  2. 35% going to Arizona Game and Fish Department
  3. 5% going to the Arizona State Land Department

On top of all of this the money from the OHV Tags are meant to fund seven additional Game and Fish officers to further enforce OHV laws.
